New South Wales set to be "worst state in world" for cyclists

Academic says new laws are anti-cyclist but government insists they will improve safety

by SIMON_MACMICHAEL MON, FEB 22, 2016 13:54

Australia 'world's worst place for cyclists', says Danish rider who's circled the globe

A DANISH traveller who's spent four years circling the globe says there is one place that is the worst in the world when it comes to abuse.
