

**Bicycle NSW**

**Micromobility Developments in  
NSW**

**An insiders insights**

25 November 2022

## Who is Bicycle NSW?

- Established in 1976 to create a better environment for all riders. The Environmental Trust was established as the only active transport focused charity in Australia.
- Bicycle NSW offer bicycle riders extensive membership benefits and world class personal accident and public liability cover for as little as \$2 per week (less for households).
- Bicycle NSW are the only bicycle group based in NSW with a full time advocacy team who are at the forefront of all active transport development and planning in NSW at a State and Local Level.

## Our recent success

- Engaged a successful campaign to pass a Bill to advance Rail Trails in NSW (TAAB 2022)
- Helped achieve the highest active transport infrastructure spend in NSW State history (but hundreds of millions more in Councils)
- Bicycle NSW
  - Submitted over 50 submissions in 2022 (plus associated meetings, research and consultation)
  - Responded to and resolved a number of small local advocacy issues each and every week (approximately 127 per annum).
  - In 2022, Bicycle NSW had direct involvement in the establishment of 37km of cycle ways in NSW and helped progress a further 87km of cycle ways and 23 new connections and links.
  - Ensured that Government policies and frameworks are adhered to in big infrastructure projects.

## Bicycle NSW's Plans and Focuses going forward

- Legislation
- NSW Election Campaign
- Local Government
- Bipartisanship focus
- Missing links and infrastructure for all riders and abilities
- Active transport opposition groups

# Thank you
